

hour meter, and service notifications.

Mid-Back Suspension Seat Includes armrests and adjustments that allow you to customize for your height and weight.

Blade Drives Each of the 3 mowing blades has its own dedicated brushless motor to ensure smooth operation and a high-quality cut.

Independent Wheel Drives The DR ZT5E uses a HydroGear beltless drivetrain with brushless electric motors to provide precise zero-turn performance.

Foot Operated Height Adjustment Mow from 1.5" to 5" in ¼" increments, 15 settings

Turf Tread Tires 20" x 9.5"

2.5 kWh Battery Pack The ZT5E is powered with one, two, or three 48V batteries (sold separately). Each one is 2.5 kWh, meaning you can have up to 7.5 kWh. The power for mowing and self-propulsion is the same regardless of how many batteries are installed—the difference is in runtime. Recharge overnight in the mower.

Battery Dock Each battery seats securely under the rear hood, in its own port, ensuring optimal contact with receiver.

Product Description

Features

Mow Up to 5 Acres per Charge!

Independent Wheel Drives The DR ZT5E uses a HydroGear beltless drivetrain with brushless electric motors to provide precise zero-turn performance. With a 48" mowing width and numerous professional features, the DR ZT5E Zero-Turn is your ticket to virtually maintenance-free lawn care. No more gas fumes, tune-ups, or messy refueling! Start out with a full charge and you can mow for up to 2.25 hours without stopping—enough to mow as much as 5 ACRES. Recharge overnight (110V Charger Included) and you're ready to go again the next day.

Powered by eSeries Battery Packs

Interactive Touchscreen Has controls for blade speed and drive speed. Also displays battery charge level, operation status, hour meter, and service notifications. DR's uniquely engineered battery packs (sold separately) are designed to function either independently or as a set that can be drawn on, or charged, as an interconnected array.

Mid-Back Suspension Seat Includes armrests and adjustments that allow you to customize for your height and weight.
